Holy Spirit through

the **word** of God
for the **glory** of God

& for the *sake of the world*

Dear Church Family,

As we step into a new year, our hearts are genuinely overwhelmed with gratitude for the family the Holy Spirit has formed at Citipointe. Your faithfulness, sacrifice, and generosity have never been in vain. We are not here by accident, and we are not moving forward without purpose. There is a cause.

Week after week, Savannah and I witness the grace of God at work through the people of this house. The gifts, obedience, and willingness we see are evidence that God has positioned our church for such a time as this.

As we look ahead, we sense a holy urgency stirring among us. Like David standing before Goliath, we are reminded of the question that still echoes through Scripture: "Is there not a cause?" We believe there is. We see a generation in need of truth, a city longing for hope, and a world waiting to encounter the true power and presence of Jesus Christ. We see the people of God being equipped in the power of the Holy Spirit, through the Word of God, to take the Gospel across the street and around the world.

As you pray into this year, we invite you to ask the Holy Spirit how He is calling you to respond. If you have ever questioned whether your part truly matters, hear this clearly: it does. In God's Kingdom, no obedience is overlooked and no sacrifice is wasted. When God stirs a cause, He also invites His people to carry it. Every contribution matters. What you bring is not small when it is placed in His hands.

This is a year to step forward with courage and conviction. Scripture tells us that the influence of the generous continues to grow and expand. When we are faithful with what God has placed in our hands, He multiplies it for His purposes and His glory.

The harvest is ready, the opportunity is before us, and our God is faithful. Together, we will continue to unmistakably influence our world for good and for God.

"Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen."

Ephesians 3:20-21

For the glory of God and for the sake of the world,
Pastors Joel and Savannah Ramsey

Equipping the
people of Jesus

faith, love, hope

Faith does not wait for certainty. Faith responds to calling. Faith still steps out on the water, trusting the promises of God and believing that obedience releases heaven's activity on the earth.

Giving is not a transaction, it is an act of love. Love is not proven by intention, it is revealed through action. When we give, we put love into motion. People's needs are met, pathways are opened, and hope becomes tangible for those who need it most.

Hope declares, "You have a future." It reminds us that the story is not finished. There is more ahead. More purpose to fulfill. More breakthroughs to see. More lives to reach. The cause before us is bigger than comfort and greater than convenience.

This is the heart of Kingdom Builders. We are a people who believe God, love relentlessly, and give generously. We are a church that refuses to stand still when a cause demands a response.

So we ask the question again, not as a slogan but as a summons: Is there not a cause?

And we answer it with our faith, our generosity, and our obedience.

Living generously. Building eternally.

God has entrusted this house with a cause, not just a vision. Kingdom Builders is our response to that trust. We live generously because we are called to build eternally.

This is not about obligation. It is about obedience. It is about aligning our lives with what God is doing in the earth and responding with faith. What we give today becomes part of what God establishes for generations.

Kingdom Builders is the Church stepping forward together. Not waiting for perfect conditions, but responding to a divine assignment.

Is there not a cause?

The Call

The Gospel must be preached. Lives must be reached. Cities must be transformed. Nations must encounter Jesus. This is not someone else's responsibility. This is ours.

The Response

Right now, each of us is invited to respond. Not based on comparison, but on conviction. Not measured by amount, but by obedience. What the Holy Spirit asks of you is your act of faith.

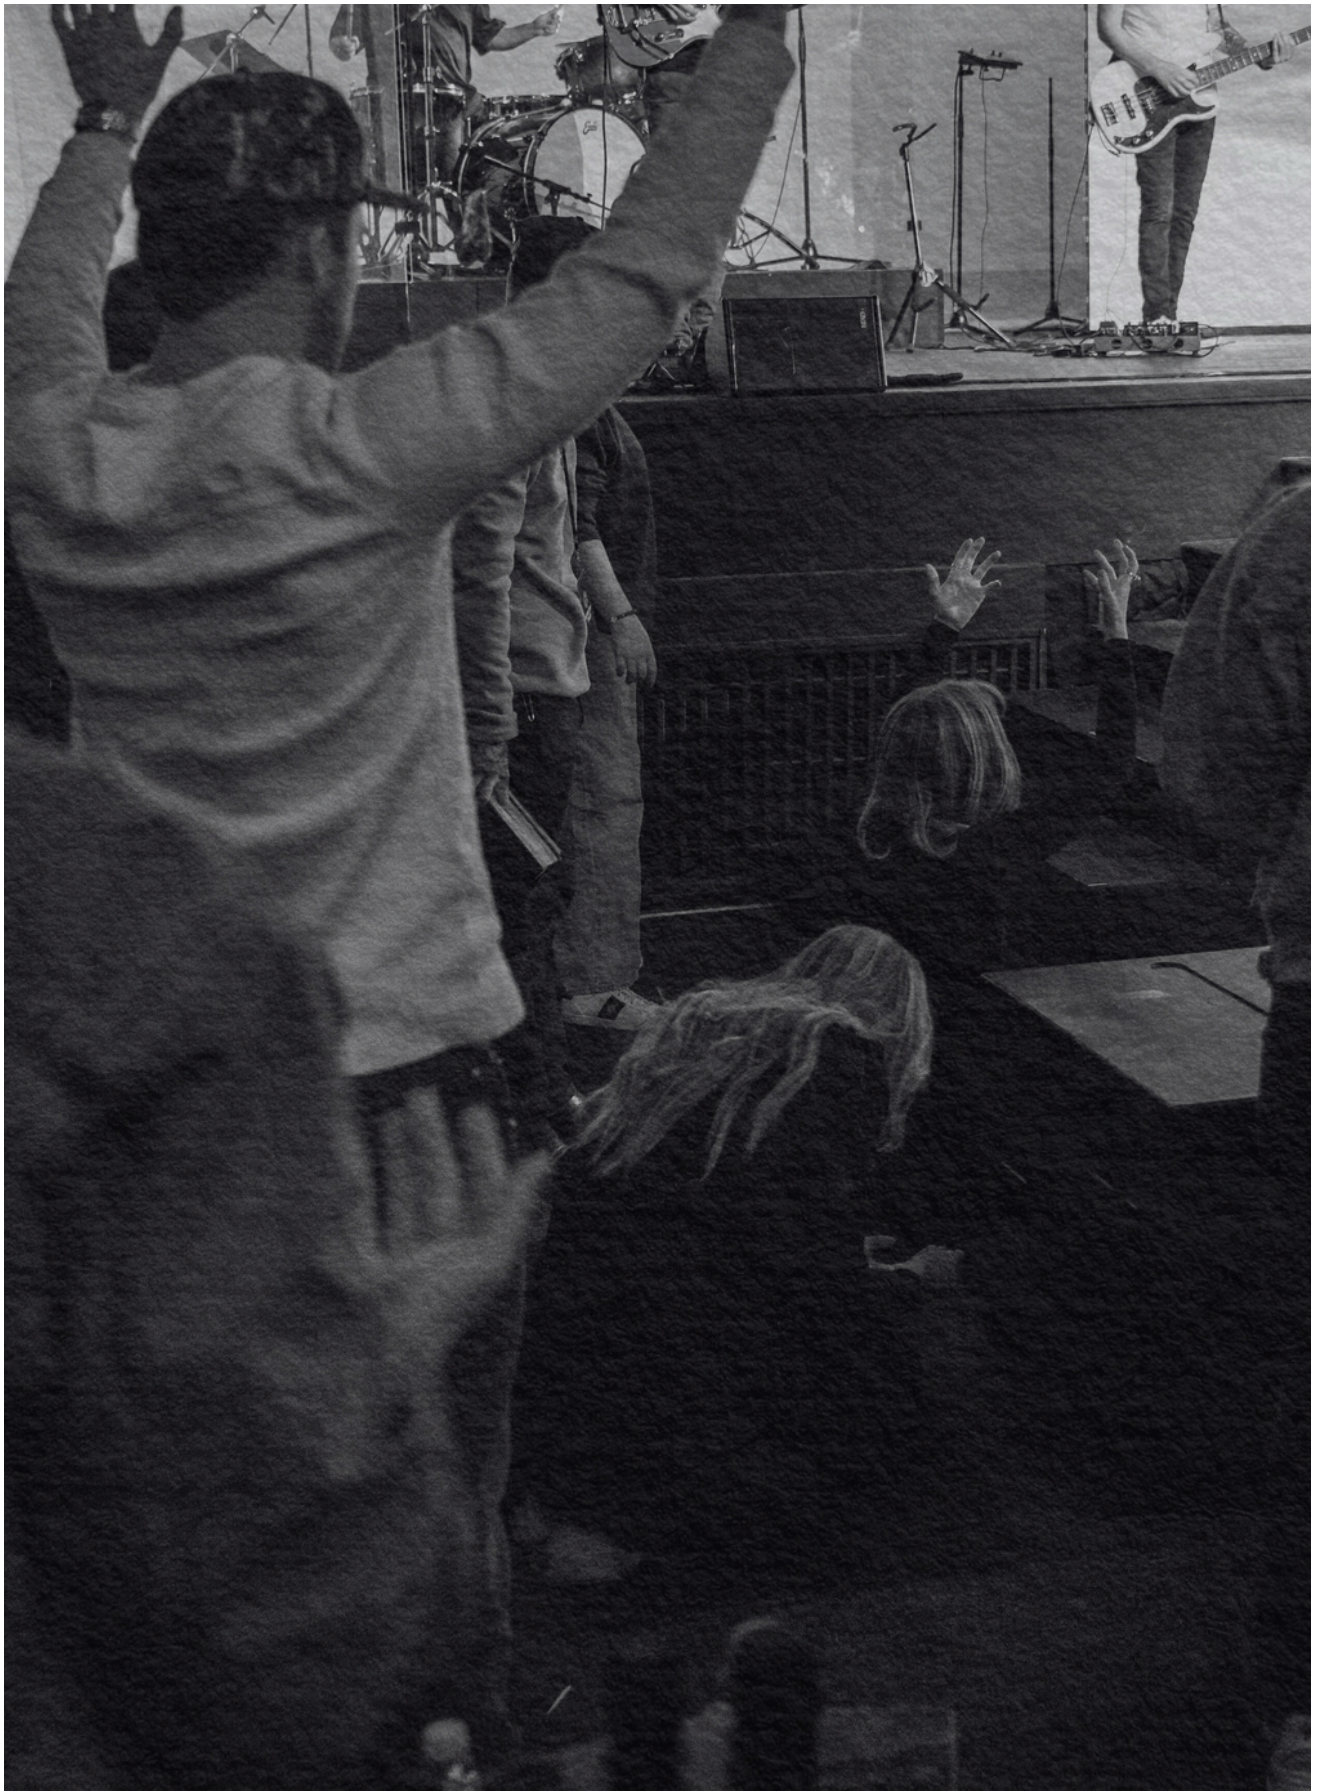

The Mission

Through Kingdom Builders, we advance the Kingdom of God locally, nationally, and globally. We invest in missions, outreach, leadership development, and future expansion, believing that God multiplies what is surrendered to Him.

The Commitment

This is where belief becomes action. When you commit through Kingdom Builders, you are saying yes to the cause of Christ. You are placing your trust in God's ability to do immeasurably more through a surrendered people.

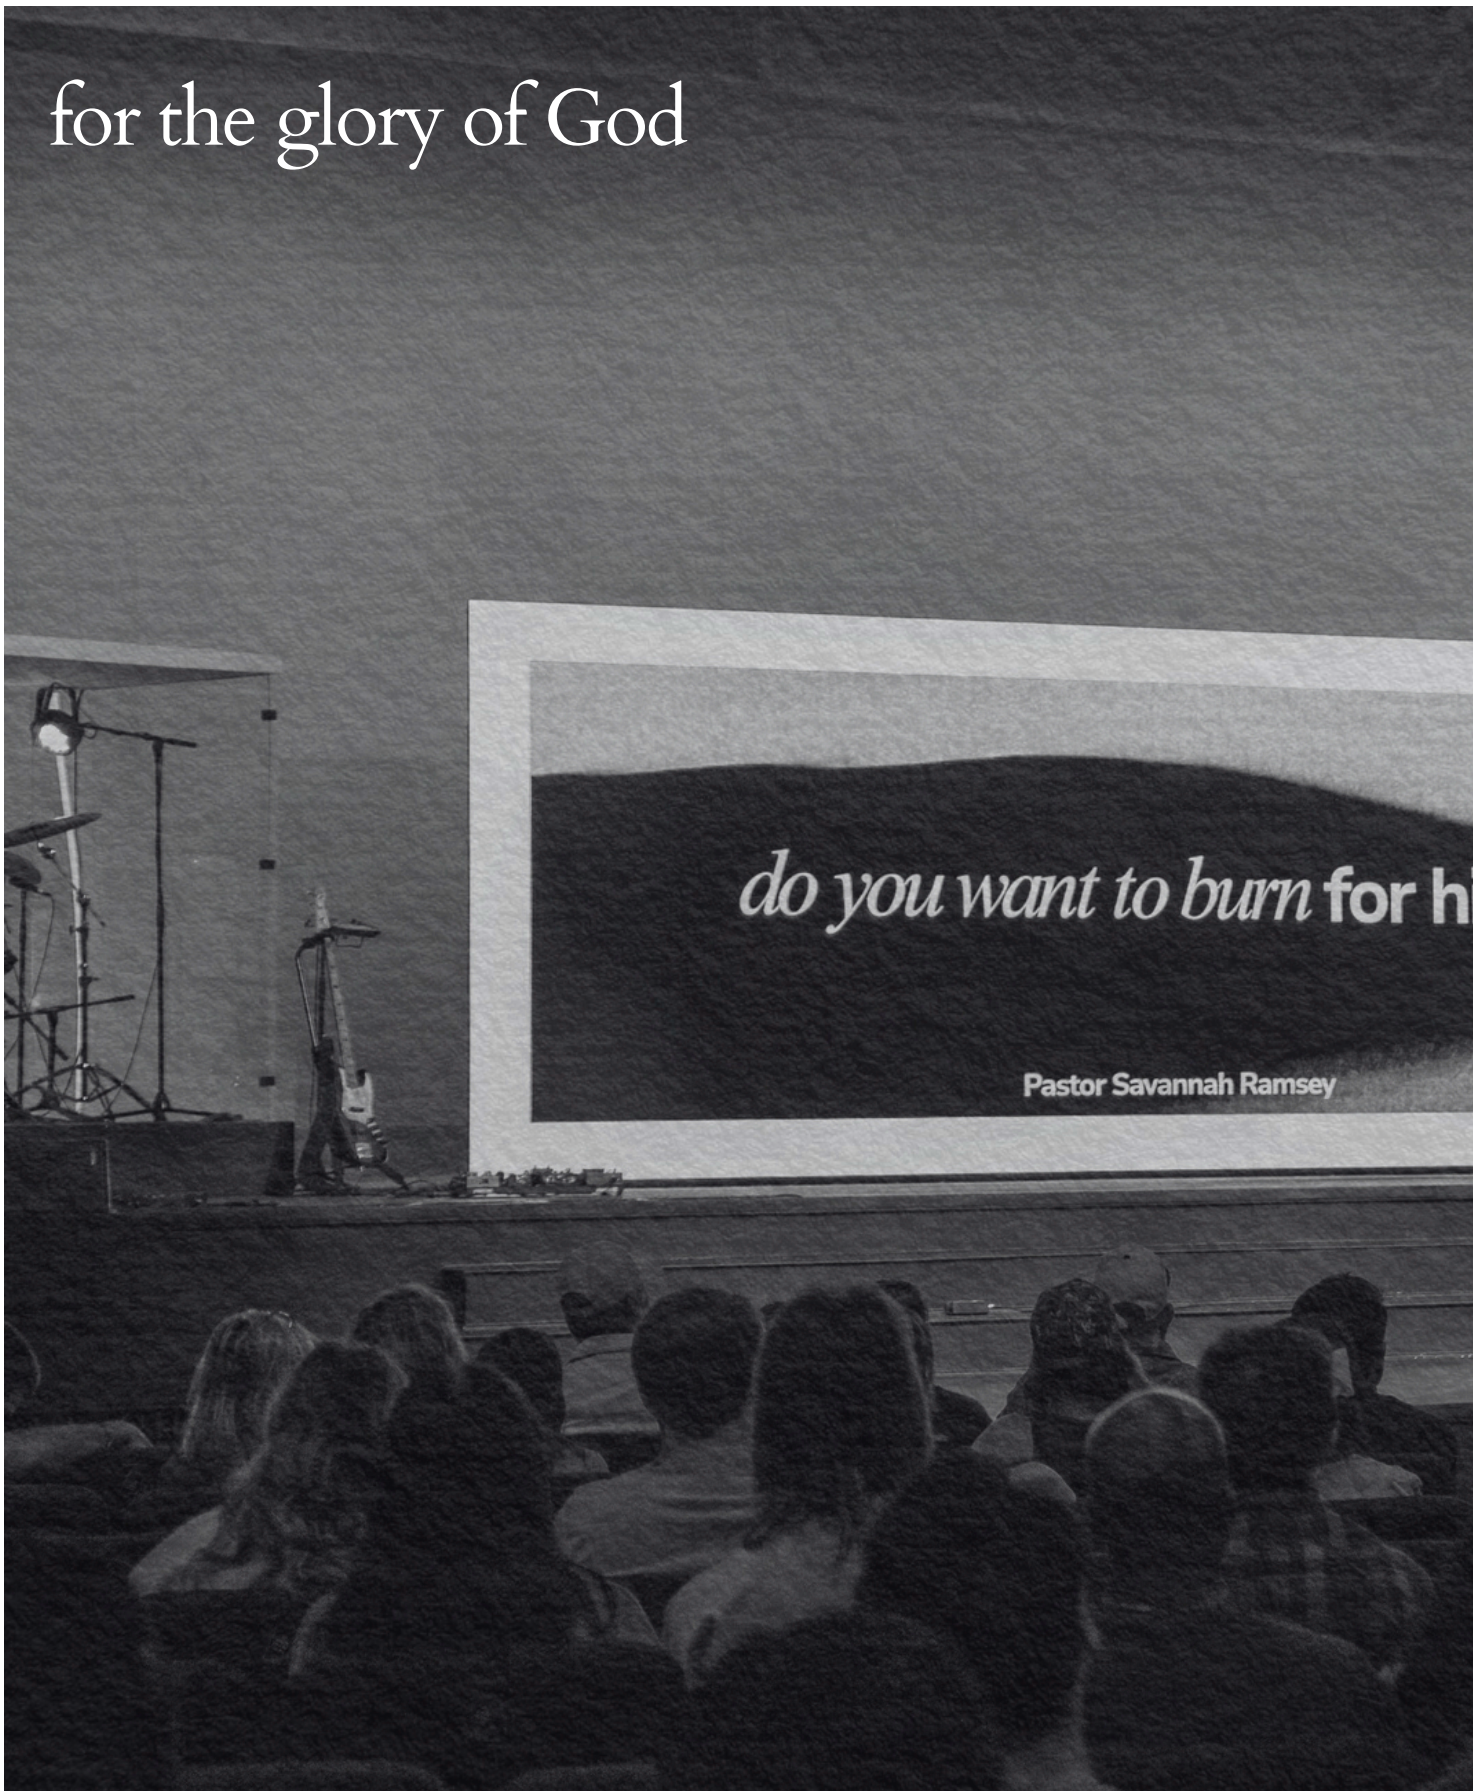

**If God is stirring your heart, this is your time to commit.
Together, we will build what lasts.**

& for the sake of the world

Feed them bellies

Hunger ends here.

Across our cities and neighborhoods, people are quietly carrying the weight of food insecurity. Feed Them Bellies exists to meet that need, fueled by compassion, anchored in love, and made possible through radical generosity.

From fresh groceries to warm meals, we're doing more than meeting physical needs; we're affirming dignity, building trust, and reminding people they are known, valued, and deeply loved.

With your partnership, we hope to;

- Extend our weekly impact and reach
- Establish intentional spaces for connection, prayer, and ongoing care
- Collaborate with local schools and community partners to respond to urgent needs

This is about more than food.

It's about hope.

We invite you to step into the story with us.

Together, we feed bellies and reach souls.
And this is only the beginning.
