

Church planting

One church at a time. One city at a time.
One life at a time.

At the core of the Gospel is the call to go, to carry the good news to every corner of the world. Church planting is our mandate. It's how we bring hope into new communities, raise up local leaders, and establish spaces where people can encounter Jesus and be formed in faith.

We've already begun to see this vision take shape through the launch of our church plant in Franklin. What began as a step of faith has become a growing community of believers gathering to worship, serve their city, and make Jesus known in everyday life.

And this is only the beginning.

With your partnership, we're preparing the ground for more:

- More churches planted in more cities across the U.S. and beyond
- More leaders equipped, trained, and sent
- More opportunities for people to hear the Gospel and grow as disciples

Places of presence.

Places of purpose.

Places where lives are forever changed.

Let's plant together.

The harvest is ready and we're just getting started.

Red Frogs

Serving a generation to safeguard a generation.

College campuses. Music festivals.
Spring break. Downtown Nashville.
In the spaces where young people are often most at risk, Red Frogs USA shows up, not with judgment, but with water, a listening ear, practical care, and hope.

We are a harm-prevention movement committed to protecting and empowering the next generation. Whether it's walking someone home safely, offering hydration, or being a steady presence in the middle of chaos, Red Frogs meets people where they are.

And now, we're stepping into our next season of growth.

With your partnership, we're increasing our impact by:

- Expanding our presence in Downtown Nashville to include Friday & Saturday nights
- Expanding the Red Frogs program to new cities
- Training and mobilising more volunteers on the ground
- Providing resources, chaplaincy care, and follow-up support where it's needed most
- Raising up young leaders to lead with courage, compassion, and conviction

This is frontline ministry.

It's real, it's rewarding, and it's making a tangible difference in the lives of young people across America.

SHE Rescue Home

Rescue. Restore. Rebuild.

In the heart of Cambodia, a quiet but powerful work is unfolding.

SHE Rescue Home exists as a safe haven for girls aged 5-16 who have survived trafficking, sexual exploitation, abuse, and violence or who are at risk of it. Within its high-security environment, young girls are finding safety, stability, and the opportunity to begin healing.

This is more than a shelter. It is a sanctuary, a place where trauma is met with compassion, brokenness is met with care, and every child is reminded she is deeply loved, valued, and created for a future far greater than her past.

Through safe housing, trauma-informed care, education, and spiritual discipleship, SHE Rescue Home is restoring dignity, rebuilding lives, and helping girls reclaim wholeness and a sense of childlike innocence.

But the need continues to grow, and so does the vision.

This is the Gospel in action.

Real love.

Real justice.

Real freedom.

You can help change the story.

Because rescue is only the beginning.

Campus Expansion

Making room for more. Creating space for encounter.

As our church family continues to grow, so does our responsibility to faithfully steward the spaces God has entrusted to us.

Campus Expansion reflects our commitment to caring for our facilities with excellence, ensuring that every person, from the youngest child to the first-time guest, feels safe, welcomed, and valued the moment they step onto any of our campuses.

From updated children's spaces where kids can laugh, learn, and build community, to improved parking that removes barriers to attendance, to restroom upgrades that reflect our attention to detail, we are intentionally preparing our locations for what God is building.

With your partnership, we will:

- Invest in our facilities across Nashville and Franklin
- Create safe, modern children's environments for families and future generations
- Expand and enhance parking to better serve our growing congregations
- Refresh and renovate restroom facilities for comfort, accessibility, and care

We will continue improving our campuses so they reflect the heart of our church, excellence, hospitality, and honor.

We're not expanding just for ourselves.

We're making room for those who haven't walked through the doors yet. Families searching for hope. Children who will grow up encountering Jesus on this very ground.

Let's build together, because the best is yet to come.

Missions Trips

Across the world. Across the street. Love looks the same.

In villages and cities throughout Kenya, Cambodia, and beyond, lives are being impacted through education, medical care, leadership development and most importantly, the message of Jesus. Our annual Missions Trips are more than travel experiences; they are a calling to serve, to listen, and to love well.

Each trip creates an opportunity to partner with local churches, strengthen communities, and bring hope where it's needed most. Whether leading youth programs, helping build churches, praying with families, or simply holding a child's hand, we go to give and we always return changed.

This isn't about charity.

It's about Kingdom collaboration.

And your partnership makes it possible.

Through your generosity, we will:

- Send teams prepared to serve with compassion and excellence
- Provide resources, supplies, and hands-on support to local communities
- Invest in long-term initiatives in education, healthcare, and discipleship
- Raise up leaders both locally and globally to carry the mission forward

This is the Church in motion.
